organising spaces

Working and living in comfort starts with tidy and organised surroundings. Because a well-organised space provides peace and space, around you and in your head. At Functionals, we set spaces to work for you with functional and carefully designed products that last a lifetime. For your home, office, a museum or changing room. Together with leading designers from across Europe, our family company has developed products that excel in simplicity, craftsmanship and sustainability for more than 50 years. From coat racks and waste bins to lockers, display cabinets, tables, and chairs. Manufactured in our own factory in Goirle, the Netherlands.

general information

Prices in euro, excluding VAT and valid from 1 January 2026 to 31 December 2026.

Delivery includes mounting fittings for brick or concrete walls.

We reserve the right to modify the range, colours, dimensions, weights and prices.

Dimensions and weights may slightly deviate up and downwards.

All our deliveries and/or services are subject to the general terms and conditions of Metaalunie and Dutch law.

The Metaalunie terms and conditions can be requested from Functionals.

The conditions of delivery and payment will be sent to you upon request.

Warranty

You receive a 25-year warranty on material and/or construction defects for products ordered from January 1, 2025.

Exceptions: All locking systems and light sources are covered by a 2-year warranty.

Excluded from Warranty

Natural wear and tear: Damage resulting from normal use or aging of the products.

Improper use: Defects caused by misuse, incorrect installation, or failure to follow the user manual.

External factors: Damage due to external influences such as water, fire, electrical surges, or other environmental factors.

Modifications: Alterations or repairs performed by third parties.

Natural characteristics: The inherent qualities of natural materials such as wood, veneer, and leather. Examples include scars in leather and colour variations in wood.

functionals design team

colours and materials

aquarius h

general specifications

body

material: 18/19 mm melamine coated chipboard
colour: white (w10300 mp)
feature: with drilling pattern for connecting lockers
feature hg lockers: with ventilation in the back wall

doors

material: 18/19 mm melamine coated chipboard
colour code s: white (w10300 mp), light grey (u12188 mp), dark grey (u732 st9) or black (u12000 mp)
colour code u: in a pfleiderer uni-colour
colour code hd: in a pfleiderer wood decor
feature: doors are surface mounted, with self-closing and dampening light weight metal hinges

multiple or combined use of colours or wood decors
colour code s: € 150,00 per colour per order
colour code u: € 228,00 per colour per order
colour code hd: € 380,00 per colour per order

find all available uni-colours and wood decors on
www.functionals.com

side trim

material: extra strong pvc for project use
colour: matching the melamine coating

plinth

material: fine textured powder coated steel
colour: raven black
height: 10 cm
feature: fitted with adjustable feet

locks

aquarius lockers standard come with cylinder locks with two keys and are suited for a master key

for other locks please see page "aquarius h locks" on page 302

hg lockers

feature: including one hanger rod without hooks
feature: lockers consisting of one door per section have one shelf per locker

hgk lockers

feature: including one shelf, one stainless steel hanger rail and five tubulus 100 coat hangers in white

hvl lockers

feature: including top panel

back panels

if the lockers are placed free in an open space you will need to order back panels as well
