functionals

# organising spaces

Working and living in comfort starts with tidy and organised surroundings. Because a well-organised space provides peace and space, around you and in your head. At Functionals, we set spaces to work for you with functional and carefully designed products that last a lifetime. For your home, office, a museum or changing room. Together with leading designers from across Europe, our family company has developed products that excel in simplicity, craftsmanship and sustainability for more than 50 years. From coat racks and waste bins to lockers, display cabinets, tables, and chairs. Manufactured in our own factory in Goirle, the Netherlands.

# general information

- / Prices in euro, excluding VAT and valid from 1 January 2025 to 31 December 2025.
- / Delivery includes mounting fittings for brick or concrete walls.
- / We reserve the right to modify the range, colours, dimensions, weights and prices.
- / Dimensions and weights may slightly deviate up and downwards.
- / All our deliveries and/or services are subject to the general terms and conditions of Metaalunie and Dutch law.
- / The Metaalunie terms and conditions can be requested from Functionals.
- / The conditions of delivery and payment will be sent to you upon request.

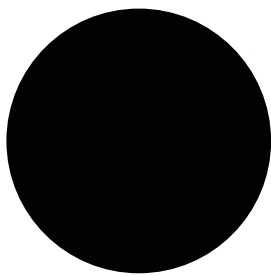

## / Warranty

You receive a 25-year warranty on material and/or construction defects for products ordered from January 1, 2025.  
Exceptions: All locking systems and light sources are covered by a 2-year warranty.

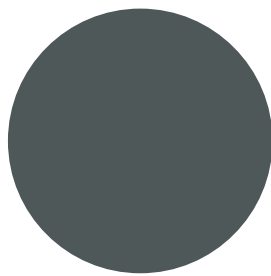

## / Excluded from Warranty

Natural wear and tear: Damage resulting from normal use or aging of the products.  
Improper use: Defects caused by misuse, incorrect installation, or failure to follow the user manual.  
External factors: Damage due to external influences such as water, fire, electrical surges, or other environmental factors.  
Modifications: Alterations or repairs performed by third parties.  
Natural characteristics: The inherent qualities of natural materials such as wood, veneer, and leather. Examples include scars in leather and colour variations in wood.

## general specifications

---

### body

material: 18/19 mm melamine coated chipboard  
colour: white (w10300 mp)  
feature: with drilling pattern for connecting lockers  
feature hg lockers: with ventilation in the back wall

### doors

material: 18/19 mm melamine coated chipboard  
colour code s: white (w10300 mp), light grey (u12188 mp),  
dark grey (u732 st9) or black (u12000 mp)  
colour code u: in a pfeiderer uni-colour  
colour code hd: in a pfeiderer wood decor  
feature: doors are surface mounted, with self-closing and  
dampening light weight metal hinges

multiple or combined use of colours or wood decors  
colour code s: € 150,00 per colour per order  
colour code u: € 228,00 per colour per order  
colour code hd: € 380,00 per colour per order

find all available uni-colours and wood decors on  
[www.functionals.com](http://www.functionals.com)

### side trim

material: extra strong PVC for project use  
colour: matching the melamine coating

### plinth

material: fine textured powder coated steel  
colour: raven black  
height: 10 cm  
feature: fitted with adjustable feet

### locks

aquarius lockers standard come with cylinder locks with  
two keys and are suited for a master key

for other locks please see page "aquarius h locks" on page  
280

### hg lockers

feature: including one hanger rail with three movable hooks  
per locker  
feature: lockers consisting of one door per section have  
one shelf per locker

### hgk lockers

feature: including one shelf, one stainless steel hanger rail  
and five tubulus 100 coat hangers in white

### hvl lockers

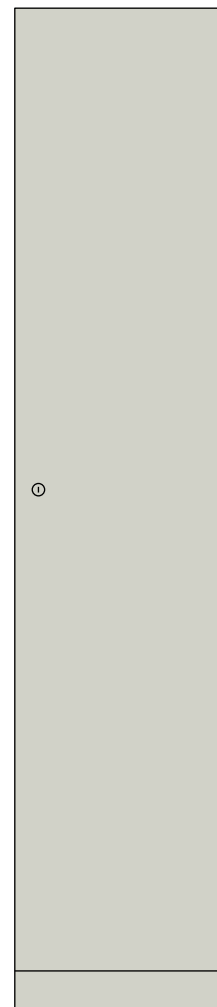

feature: including top panel

### back panels

if the lockers are placed free in an open space you will  
need to order back panels as well

# colours and materials

aquarius s

## general specifications

---

### **body**

material: powder coated steel 0,85 – 1 mm  
colour: fine textured powder coating in approx.  
35 different colours  
find all colours at [www.functionals.com](http://www.functionals.com)

### **doors**

material: powder coated steel 0,85 – 1 mm  
colour: in the colour and structure of the body  
features: single skinned, surface mounted

### **plinth**

material: powder coated steel 0,85 – 1 mm  
colour: in the colour and structure of the body  
height: 8 cm  
feature: fitted with adjustable feet

### **frame**

material: powder coated steel 0,85 – 1 mm  
colour: in the colour and structure of the body  
height: 15 cm

### **bench frame**

material: powder coated steel 0,85 – 1 mm  
colour: in the colour and structure of the body  
height: 40,5 cm height

### **seat parts**

material: transparent lacquered beech

### **locks**

aquarius s lockers standard come with two keys, that are suited for a master key, or with a padlock provision (excl. padlock)  
for other locks please see page 328
